## Step 1: Download and install Adobe Digital Editions (ADE)

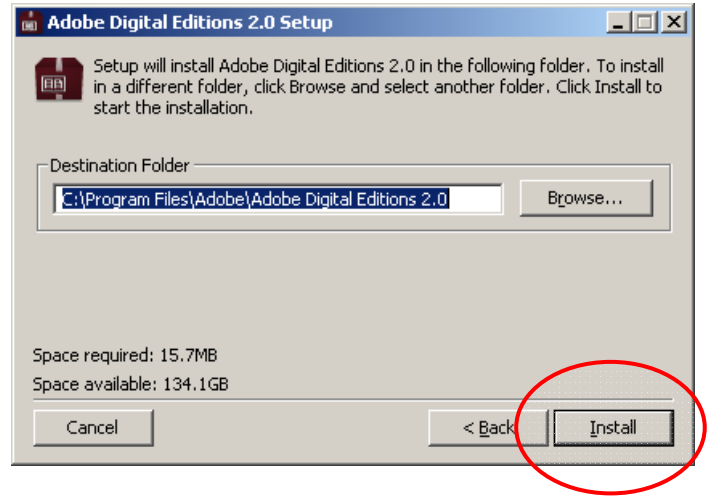

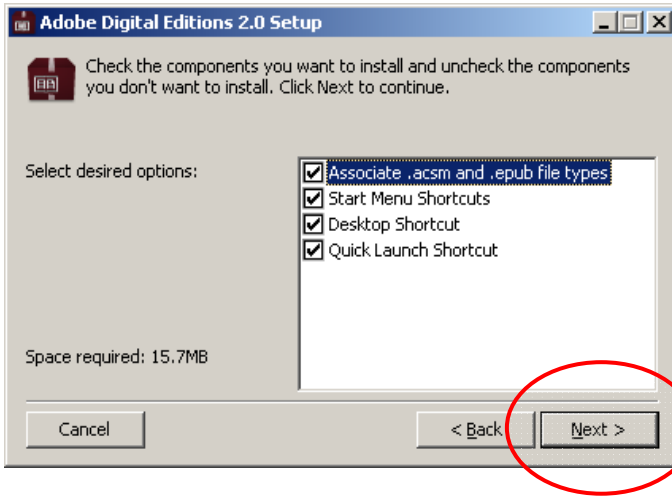

Adobe Digital Editions needs to be installed and authorised on your computer with your Adobe ID to enable you to read eBooks in ePub format.

1. Open your browser and go to the Adobe Digital Editions download website at <http://www.adobe.com/au/products/digital-editions/download.html> Click on the link corresponding to your computer, either Macintosh or Windows. Click **Save**. At the next pop up box, click **Save** again to save the file onto your C drive of your computer. This may take a few minutes.
2. Once the file has been saved to your computer, click **Run** (shown below). This will install the program on your computer.

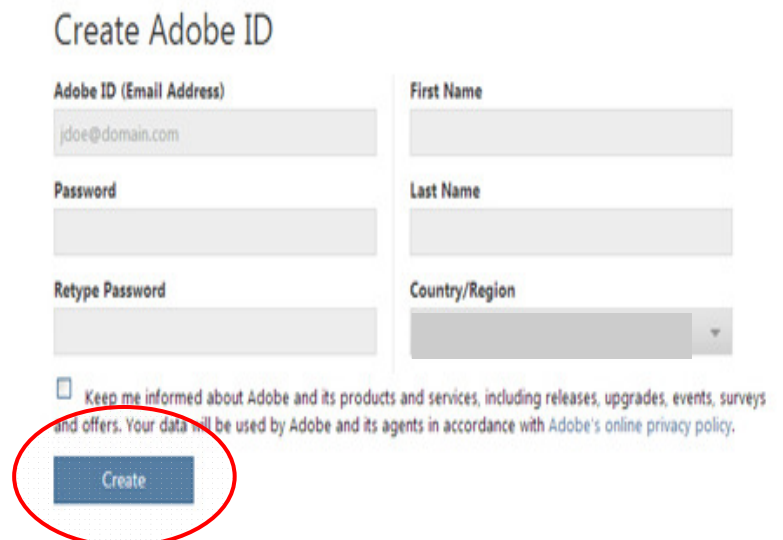

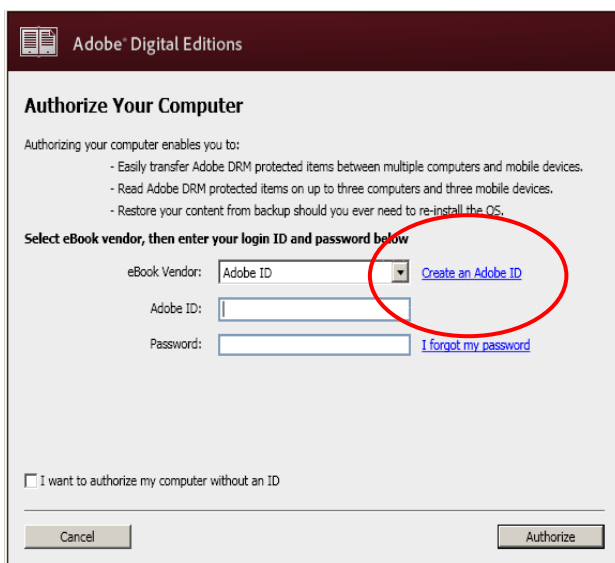

## Step 1: Download and install Adobe Digital Editions... Cont.

At the first pop up box, click the check box to accept the terms of the License Agreement then click **Next**. At the next pop up box (shown below left), click **Next** to install the components. At the next pop up box click **Install**. Once the download is complete, click **Close**. *Adobe Digital Editions* will automatically open on your computer. There will also be an icon on your desktop.

## Step 2: Authorise your computer with your Adobe ID

1. Click on the **Help** menu at the top of the screen. Click on **Authorise Computer**. At the pop up box, click on **Create Adobe ID**. Note that your Adobe ID is your email address. Fill in your details then click on **Create**. Click **Ok** when complete. Your computer is now ready to accept ePub files.

### Step 3: Borrow and download an eBook using the Bolinda collection

1. On the Lake Mac Libraries website, hover over the **eCollections** tab and select **eBooks**. Scroll down the page and select **Bolinda eBooks Collection**.
2. To browse the Bolinda eBook collection, click on the **eAudiobooks** or the **eBooks** buttons. To search for a particular title, author or keyword, click into the search bar. Further searching can be done by clicking on the **Advance Search** option.

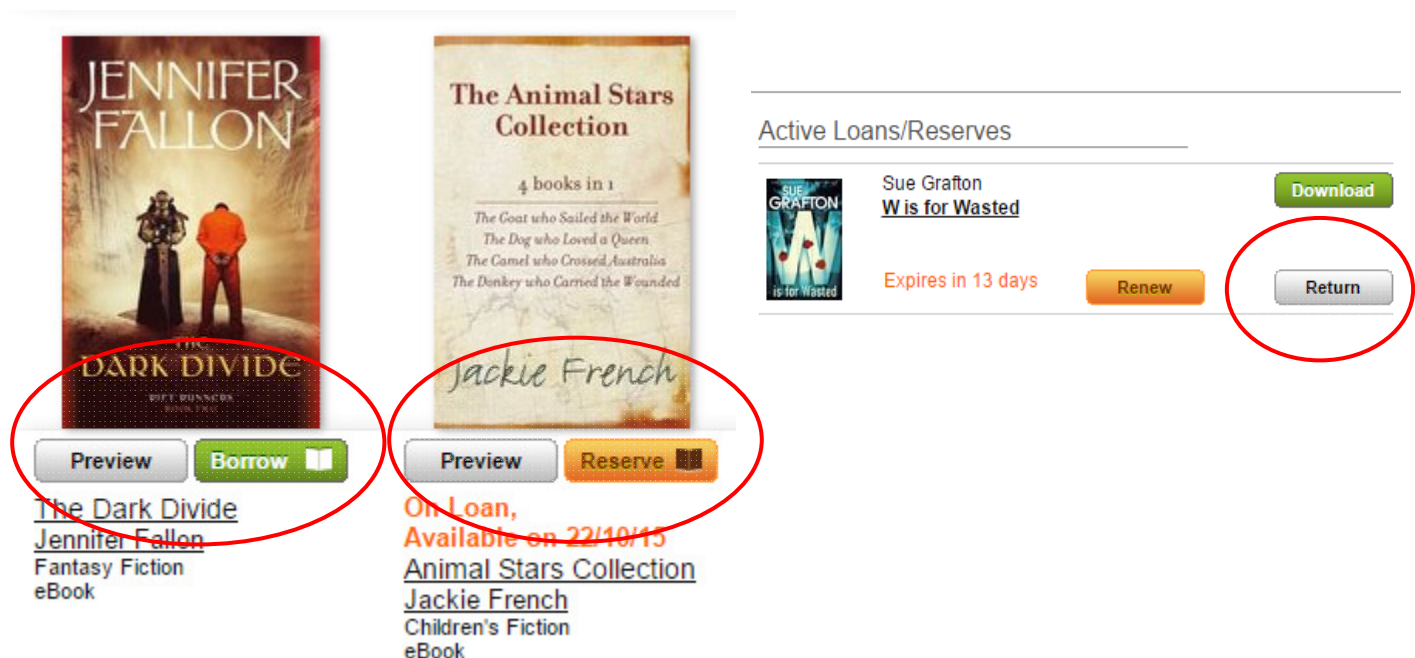

3. When you have found a title you would like to borrow, click on one of the following options. If the title is currently on loan, the only option will be either Preview or Reserve.

**Preview** will allow you to sample the eBook before you loan it.

**Reserve** will allow you to reserve the item and be notified when it is available for loan. Ensure your email address is up to date to receive notification of when your item is available.

**Borrow** will allow you to borrow and add the item to your loans account.

There is a loan period of two weeks and your item will automatically be removed from your account at the expiry date. To return your items early, on the **My Account** page, click the **Return** button next to the book you would like to return, then click **Confirm Return**.

5. Once you have clicked **Borrow** you will need to sign in with your Library card number and PIN.

Change the way the titles are displayed on the page by clicking on the square icons at the top right of the screen or the categories headings on the left. Note, that the eBook cover also displays the number of days remaining before the eBook expires. To open an eBook to read, double click on the book cover.

11. To return your eBook early, highlight the item you wish to return, right click with your mouse and click on **Return Borrowed Item** and click on **Return** to confirm. This will remove the item from both Adobe Digital Editions and your Bolinda account.

To delete an eBook from your computer, click on **Remove from Library**. Note, this removes the item from Adobe Digital Editions only and not your Bolinda account. The item will still be on your Bolinda account and will need to be deleted from your account on the Bolinda website.

# FREQUENTLY ASKED QUESTIONS

## How to borrow and download an eBook using Bolinda (PC)

### 1. How many eBooks can I borrow?

You can borrow up to 10 items of each type (eBooks / eAudiobooks) at any one time. Reservations and renewals are regarded as loans and will decrease your available loan count.

### 2. How long do I have the eBooks on loan for?

Loans are for a two week period.

### 3. Can I return an eBook before its due date?

Yes. Items can be returned early enabling you to borrow items immediately.

### 4. Can I renew an eBook?

Yes. If no one has reserved the item you can renew each item once.

### 5. Am I able to copy eBooks onto my eReader?

Yes, providing your eReader supports Adobe DRM ePub files. For a list of supported eReaders, visit: <http://blogs.adobe.com/digitalpublishing/supported-devices>

You must set up your eReader according to manufacturer instructions. Connect the device via the supplied USB cable to your computer and transfer your Adobe ID authorization to your eReader, before you can begin to transfer your eBooks.
