# Setting up Adobe Digital Editions

## Setting up Adobe Digital Edition (ADE) and your eReader for the first time

Adobe Digital Editions (ADE) program is required to download and transfer eBooks to an eReader.

Learn how to:

- download Adobe Digital Editions (ADE)
- register and create an Adobe ID account
- authorise your computer and eReader with your Adobe ID

## This only needs to be done the very first time you are using Adobe Digital Editions and your eReader

### 1. Download and install Adobe Digital Editions on your computer

- Google **Adobe Digital Editions** and download the appropriate version for your computer, or navigate to the following link:  
<https://www.adobe.com/au/solutions/ebook/digital-editions/download.html>
- Follow the file instructions to download and run the program

### 2. Create an Adobe ID Account and authorise your computer

- Open the **Adobe Digital Editions** icon on your desktop
- Click on the **Help** menu
- Click on **Authorise Computer** then click **Create Adobe ID**
- Fill out the form with your details and click **Create**
- Adobe Digital Editions is now ready to download and manage your eBooks

### 3. Authorise your eReader device with your Adobe ID

If connecting an eReader to Adobe Digital Editions **for the first time**, you will need to also authorise your eReader device.

- Connect your eReader to the computer, and wait for the eReader to appear under **Devices** on the left hand side of the screen
- Click on the **name** of your eReader, then click the **Cog** icon beside the device name and select **Authorise Device**
- At the pop up box, click **Authorise Device** to copy your Adobe ID account to the eReader
- Click **OK**
