

## Book a computer online

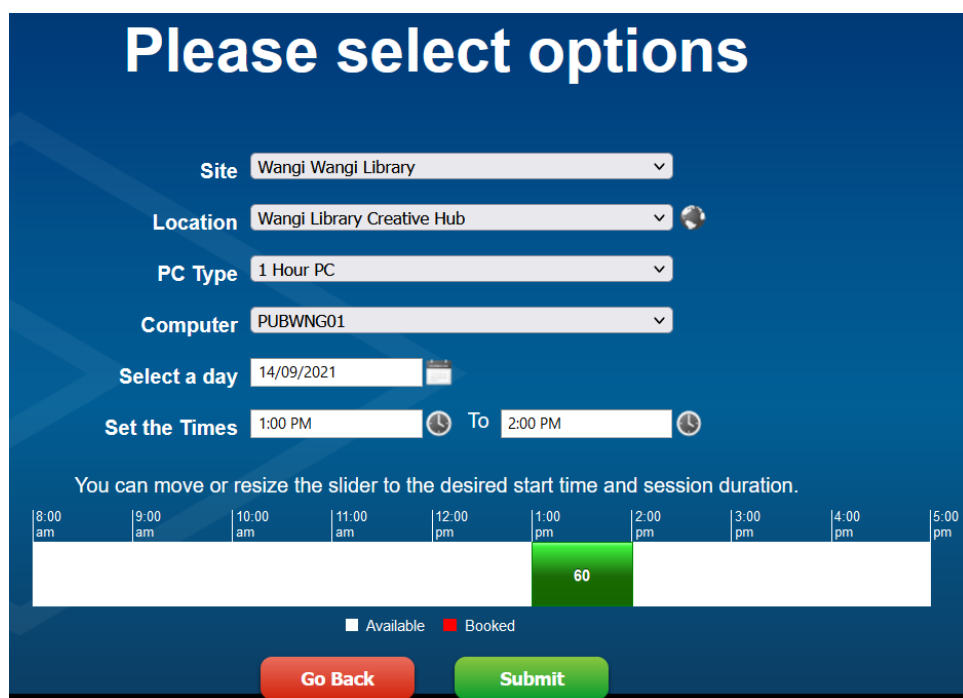

Book a computer online for use at any of our branches.

- Click the **Library Card Number** option to login
- Click the **Computer Reservation** menu option at the top of screen
- Click the **Reserve a Computer** button
- The pop up window shows your remaining time available (120 minutes available per person per day), click **Continue** to proceed

- Select a **Library Site, Location, PC Type, Computer** and **date & time**

Note: the red/green slider at the bottom of screen shows the selected computer's availability

- Click **Submit** to confirm your booking
- Click **Manage Your Reservations** to view and manage your reservations

You will be sent an email to the email address attached to your account confirming your booking
